	<b>JWC Environmental, LLC</b>	
<b>Total for five (5) open channel electric grinders with rotating screen drums</b>	<b>299,000.00</b>	
	<b>Quotation not in compliance with specifications (Little Gibraltar, Goss Cove, Mumford Cove = Model CDD3210-XDS2.0 -- Treatment Plant Channel 1 and Treatment Plant Channel 2 = Model CDD4016-XDS2.0). Please see bid.</b>	
	<b>Flows at both locations in the Treatment plant were too large for the specified equipment to handle, therefore, different units were quoted.</b>	
	<b>The selection of single drive channel monsters versus tri-drive channel monsters is intended to reduce overall power consumption by eliminating two motors from each unit. Elimination of these extra motors also reduces the number of maintenance/service points.</b>	
	<b>Clarifications:</b>	
	<b>Pricing is on a lump sum basis including equipment and start-up services. Payment terms are 90% of lump sum amount 30 days of equipment delivery / invoice date and 10% upon completion of start-up services / acceptance or 180 days after delivery / invoice date, whichever is earlier.</b>	
	<b>See bid for warranty.</b>
