				<b>See bid for description of services</b>		Note: This is open shop pricing - not prevailing wage	
						Note: If the wallpaper comes off easily - these prices will prevail.	
						If the wallpaper comes off poorly, where the walls need to be skim coated - the wall prep task will be on a T+M basis. This would be approved by the town supervisor of this project. The possible wall damages are unforeseen and this would be the proper way to do the demo of wallpaper
