Location Description	Description of location, positioning within the region, bordering towns, population growth trends, key tourist attractions, etc.	TEXT 1000	Groton, Connecticut is located midway between New York and Boston & is the largest municipality between New Haven, Connecticut, and Providence, RI. Framed by the Thames and Mystic Rivers, Groton is noted for its shores on the east end of Long Island Sound. State and Municipal parks provide abundant access and water views. Groton is the home to the US Naval Submarine Base, Pfizer's Global Research and Development campus, and submarine-manufacturer Electric Boat Division of General Dynamics. Other industries range from commercial fishing to advanced medical supply manufacturing. Tourism also ranks high with Submarine Force Museum-Historic Ship Nautilus, waterfront villages of Noank, Mystic & Groton	OK
Business Climate	Description of unique business incentives, location features, and cost of doing business. Positive features regarding economic and business development.	TEXT 1000	The Town of Groton has an Incentives Policy and Economic Assistance Fund. A portion of the community is also eligible for Enterprise Zone incentives. For program details contact Barbara Strother, 860-446-5981, bstrother@town.groton.ct.us.	OK
Location Description-Printable Flyer	Same as location description above, but may requiring editing to fit in smaller field for printable flyer.	TEXT 508	Groton is located in southeastern Connecticut. Covering 38.3 sq. miles w/ 40 miles of coastline, Groton shares with New London one of the finest natural harbors on the eastern seaboard. Groton is almost equidistant from CT's urban areas of Hartford & New Haven, & Providence, RI, and is midway between NYC and Boston. Our location on I-95 is an important asset, as are numerous tourist facilities nearby and within the Town itself, such as the USS Nautilus and Submarine Force Library and Museum.	OK

Description of Administration		TEXT 4000	<p>Since 1957, Groton has been governed by a Town Council-Town Manager-Representative Town Meeting (RTM) structure. This structure combines a modern professional approach with the traditional Town Meeting form.</p> <p>The Town Council (a nine member elected body) is responsible for determining policy and appointing the Town Manager to execute this policy and administer the day-to-day affairs of the Town. The Council holds public hearings on the budget and sets the property tax mill rate. One of the nine members is appointed Mayor by the Council to serve as chairman of the Council's meetings and act as the Town's representative at ceremonial functions. Council members are elected for two-year terms. Each party nominates a full slate and the nine candidates with the greatest number of votes are elected.</p> <p>The Town Manager is appointed by and is directly responsible to the Council and serves for no definite term, but at the pleasure of the Council. The manager has the power to appoint and dismiss his staff, subject to the merit system. The Town Manager is responsible for preparation of the budget. The RTM must approve the budget before the Council. In addition to the Town Council and the RTM.</p>	OK

Building Code Requirements		TEXT 4000	The Inspection Services Division reviews all construction plans to insure structural, electrical, plumbing, heating, air-conditioning, sprinklers, and gas and water installations are in compliance with the State of Connecticut Building Code and Town of Groton Zoning Regulations. Much time is spent inspecting all of the above in a step by step process until the project is completed. This must be done on all projects from large new commercial buildings to residential swimming pools, decks and sheds. Inspectors are licensed by the State of Connecticut which involves rigorous testing and continuing education to keep their license status. Inspection Services is also responsible for addressing zoning and building complaints from	FALSE
