

Notice of Review of The Town of Groton Stormwater Management Plan

The Stormwater Management Plan (SWMP) for the Town of Groton was developed to meet the requirements of the Connecticut Department of Energy & Environmental Protection (DEEP) General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems (MS4s), issued January 20, 2016 and effective July 1, 2017. The Town has operated under a Stormwater Management Plan since July 2004. This document replaces the original SWMP and incorporates requirements of the MS4 General Permit issued January 20, 2016.

At this time, we are soliciting questions and comments from the public. The public review and comment period will end June 6, 2017. You can view a copy of draft SWMP at <http://www.groton-ct.gov/depts/pubwks/storm.asp>. Hard copies of the plan are also available at the following locations:

- ◆ Town Hall Annex, 134 Groton Long Point Road, Groton (Monday through Friday, 8:30 a.m. to 4:30 p.m.)
- ◆ Groton Public Library, 52 Newtown Road, Groton (Monday through Thursday, 9:00 a.m. to 9:00 p.m.; Friday 9:00 a.m. to 5:30 p.m.; Saturday 9:00 a.m. to 5:00 p.m.; Sunday 12:00 p.m. to 5:00 p.m.)
