HEY, KIDS!
Do you LOVE our Library?

**Why not join
the *Junior Friends*
of the *Groton Public*
*Library?***

The Junior Friends is a members-only service group for children ages 12 and younger. The group was founded to bring young people into the Library, give them an opportunity to voice their ideas about children's programs and services, and encourage their charitable giving and volunteerism.

What is the Junior Friends of the Groton Public Library?

If you like meeting other young people who share a love of the Library and the community, then this group is for you!

The Junior Friends actively support the Library through volunteering, fundraising, and sponsoring events that involve and inspire young people. The Junior Friends:

- Help decorate the Children's Room and outside play area.
- Sponsor small, project-related fundraisers that support special events for the Children's Room.
- Host movie & craft programs.
- Take on projects that benefit community charities.

What do the Junior Friends do?

How can I become a Junior Friend?

Fill out the membership form on the back of this flyer and return it to the Library along with your \$1.00 membership fee. (The \$1.00 membership fee is good for a one year's membership and includes a Membership ID Card and a special gift.) Then start attending Junior Friends' meetings and events!

How else can I be a friend to the Library?

- **Show Respect** - take care of the books, toys, and computers in the Children's Room.
- **Keep It Down** - use a quiet voice in the Library.
- **Say Thanks** - show your appreciation to the Library staff and volunteers.
- **Spread the Word** - tell your friends the Library is a great place to visit!
