Download eBooks to Nook via PC

What you need to begin:

1. Nook
2. Internet Connection
3. Adobe Digital Editions and Adobe ID
4. Groton Public Library card

Steps to Download Books

- Go to www.grotonpl.org on the internet
- Click on eBook link that is toward the top center of the page. This takes you to LibraryConnection
- Click login
- Choose Groton Public Library from dropdown box
- Type in your Groton Public Library card number (no spaces)
- Account options will be displayed
- The search box is at the left side of the page. Do a quick search, or click on "Advanced Search" to narrow down your choices

- You can search for a specific title, author or subject. You can check the box labeled "Only show copies with titles available" to browse immediately available titles
- Select "Adobe ePub eBook" from the dropdown box in the field labeled "Format"
- Click search when you fill in the fields as desired
- After finding a title, click on "Add to cart" located to the right of the title
- If you are told an item is not currently available, click on "Place a Hold" and the library will contact you via e-mail when it is available. You have 2 days to checkout the title
- Continue browsing for more books or click on "Proceed to Checkout" when finished. Items will remain in your cart for only 30 minutes, so checkout wanted items before then
- You can select your loan period of 7, 14 or 21 days for each item in the dropdown box.
- Select "Confirm check out"
- Click on download. A box opens to confirm the download
- Chose "Open with Adobe Digital Editions" from the dropdown box. Do not choose "Save File"
- Adobe Digital Editions opens and a thumbnail of the book will appear
- Transfer book from PC to Nook

Steps to Transfer Books

- Connect your Nook to a PC with the USB cable that came with the Nook
- An icon representing the Nook will appear in the left side column of Adobe Digital Editions
- Drag the thumbnail of the book with your mouse cursor to the Nook icon. Initially, there will be a red X on the book thumbnail. When it changes to a green +, release the mouse cursor
- Close Adobe Digital Editions
- Eject the Nook from the computer. Go to "My Computer" on the PC desktop and right click with your mouse over the Nook icon. Select "Eject" or "Safely Remove Hardware." You will see a popup box at the bottom left of the desktop stating that it is safe to unplug your Nook from the PC

How to Read the Book

- From the main menu, choose "Library"
 - Choose "Go to My Documents" on bottom of screen
 - Select the title to start reading
- For Nook Color– Choose "Menu" then "Library" then "My Files" and finally "Digital Editions" to select the title you wish to read
