

SPECIAL MEETING AGENDA
ENERGY EFFICIENCY AND CONSERVATION COMMITTEE
OCTOBER 5, 2015 – 5:00 P.M.
PFIZER RESEARCH FACILITY – 558 EASTERN POINT ROAD, GROTON

- I. ROLL CALL
- II. PFIZER TOUR
- III. ADJOURNMENT

Next Meeting: November 9, 2015

*Meeting Location & Directions:
Pfizer Groton Laboratories
558 Eastern Point Road
Groton, CT 06340*

Travel to North Gate entrance and pull into open manned security guard check-in point. A valid picture identification (e.g drivers license) must be presented to the security officer. The security officer will have a visitor badge for each meeting participant and will instruct individuals to pass through the check point and take the immediate roadway to right to find visitor parking. After parking, proceed to the entrance of B220 at the revolving door where your Pfizer host will be waiting.

Meeting is expected to last 90 minutes from 5-6:30PM on October 5, 2015 and include presentations and a short walking tour of facility laboratories and infrastructure. The focus of the presentations will be an introduction to Pfizer in 2015 and our sustainability efforts and strategies. Personal protective equipment will be provided for attendees in accordance with site policy and attendees are encouraged to wear closed toe shoes comfortable for walking. Stairs may be encountered and elevators are also available.
