2010-0216	Cardiac Rehabilitation Program Agreement	Referral
-----------	--	----------

RESOLUTION AUTHORIZING THE TOWN MANAGER TO ENTER INTO AN AGREEMENT WITH LAWRENCE AND MEMORIAL HOSPITAL TO CONDUCT A CARDIAC REHAB PROGRAM AT THE GROTON SENIOR CENTER

WHEREAS, the Groton Senior Center has for several years provided a cardiac rehabilitation program for seniors with cardiac issues, and

WHEREAS, declining budget resources resulted in a decision by Parks and Recreation to discontinue the program and offer alternatives to participants, and

WHEREAS, discussions with Lawrence and Memorial Hospital led to the hospital agreeing to administer and conduct the program using the Groton Senior Center and its equipment, and

WHEREAS, an agreement has been reached between the Town and Lawrence and Memorial Hospital outlining the details of the cardiac rehabilitation program, now therefore be it

RESOLVED, that the Town Manager or his designated agent is authorized to enter into an agreement with Lawrence and Memorial Hospital to conduct the Cardiac Rehab Program at the Groton Senior

Center.

Legislative History

10/7/2010 Mayor Referred Town Council Committee of the

10/12/2010 Town Council Committee of the Whole Discussed

*John Silsby, Director of Parks and Recreation, described the history of the Cardiac Rehabilitation Program and the desire to enter into an agreement with Lawrence and Memorial Hospital to conduct the program at the Groton Senior Center. Councilor Monteiro asked if Lawrence and Memorial will be providing the same services to the same groups of people, and Mr. Silsby stated yes, but it would be a broader program.*

10/12/2010 Town Council Committee of the Whole Recommended for a Resolution

2010-0217 Supplemental Appropriation for River Road Referral  
Construction

RESOLUTION AUTHORIZING A SUPPLEMENTAL APPROPRIATION FOR RIVER ROAD REPAIRS

WHEREAS, approximately 150 linear feet of River Road was damaged by flooding in March 2010, closing the road to through traffic, and

WHEREAS, current estimates are \$30,000 to purchase materials that would allow the road to be opened to alternating one-way traffic and \$195,000 to make permanent repairs to the road, and

WHEREAS, funds are not available in the current operating budget to repair the damaged portion of River Road, and

WHEREAS, there are completed capital projects that can be closed out with their remaining funds returned to the Capital Reserve Fund Balance, now therefore be it

RESOLVED, that a supplemental appropriation of \$225,000 be appropriated from the Capital Reserve Fund Balance as a FYE 2011 road project for River Road repairs.

Refer to RTM, Rule 6.5.3.

Legislative History

10/7/2010 Mayor Referred Town Council Committee of the

10/12/2010 Town Council Committee of the Whole Discussed

*Gary Schneider, Director of Public Works, noted a public information meeting was held last Wednesday on River Road repairs. This request is for a supplemental appropriation to purchase equipment for a temporary solution (one-way alternating traffic) and to fund permanent repairs. Staff looked at renting the required concrete barriers, but it is more cost effective to purchase them. Mr. Schneider noted that no major changes to the road are anticipated as a result of the permanent repairs. At the public information meeting, neighbors expressed a concern with installation of a guard rail system. Staff is looking at design and legal liability issues. A wetlands permit will be required to remove materials downstream. Mr. Schneider reviewed other design details and neighbors' comments. The supplemental appropriation must be approved by the RTM and because this is a scenic road, The Town Council must hold a public hearing on the improvements. Construction is expected to begin in late winter/early spring and be completed by August.*

*Councilor Johnson asked about reimbursement from FEMA. Mr. Schneider noted that permit requirements may drive betterments beyond what FEMA will pay for. Councilor O'Beirne noted this repair/replacement is not going to solve the flooding problems in Old Mystic.*

*The Town Manager explained that in order to move ahead and get the temporary solution in place before winter, Public Works will expend the \$30,000 from its operating budget. If the supplemental appropriation is approved, Public Works' account will be reimbursed. Councilor O'Beirne suggested asking the RTM for an expedited process.*

### REGULAR MEETING

---

#### I. ROLL CALL

*The meeting was called to order at 7:31 p.m. by Mayor Streeter.*

Members Present: Mayor Streeter, Councilor Flax, Councilor Johnson, Councilor Kolnaski, Councilor Monteiro, Councilor O'Beirne, Jr., Councilor Peruzzotti and Councilor Sheets  
Members Absent: Councilor Watson

*Also present were Town Manager Mark Oefinger, Town Clerk Betsy Moukawsher and Office Assistant Lori Watrous.*

#### II. SALUTE TO THE FLAG

*The Salute to the Flag was led by Wendy Eckholm.*

#### III. RECOGNITION, AWARDS & MEMORIALS

*None.*

#### IV. RECEIPT OF CITIZENS' PETITIONS, COMMENTS AND CONCERNS

*John Sutherland, 32 Neptune Drive, is in support of expediting the town-wide assessment of Police Departments in Groton. He stated that the Town Charter is clear that the responsibility for budget appropriations is a duty of the RTM, and Mr. Sutherland believes that the Council's attempt to restore cuts previously made by the RTM is contrary to the Charter.*

*Wendy Eckholm, 165 Benham Road, stated that when the Groton Animal Shelter was built, the facility went from 25 runs down to 18. Recently, there have been discussions between Groton and New London regarding regionalization, and Ms. Eckholm does not think that the Groton facility will be large enough to accommodate New London's animals.*

*Mark Comeau, 47 Trumbull Avenue, Stonington, Chairman of the Stonington Design Review Board, is concerned by the conduct of the Historic District Commission. As a local architect, Mr. Comeau is uncertain of commission members' qualifications and is disturbed by their lack of professionalism. Mr. Comeau stated that there is no measurable rubric for design, and urged the Council to investigate.*

#### V. RESPONSES TO CITIZENS' PETITIONS, COMMENTS AND CONCERNS

*The Town Manager stated that information has been shared between Groton and New London regarding the animal shelter facility, and that this item will be on the next Committee of the Whole agenda.*

*Due to the numerous complaints, Councilor Monteiro suggested a meeting with the Historic District Commission (HDC).*

*Councilor Sheets asked whether HDC meetings are recorded, and Councilor O'Beirne replied that they are, but in the past some of the tapes have been unintelligible.*

*The Town Manager noted that the same equipment is used to tape over 150 other meetings each year, and there have been only one or two instances when tapes were unclear. These instances were probably attributable to bad tapes or operator error.*

*By consensus, it was decided that Mayor Streeter and two other councilors will meet with the Chairman of the Historic District Commission.*

**2010-0195 Groton Long Point Police Budget - Request for Supplemental Appropriation**

RESOLUTION AUTHORIZING A TRANSFER FROM CONTINGENCY FOR THE GROTON LONG POINT POLICE DEPARTMENT

WHEREAS, during its deliberations on the FYE 2011 budget the Representative Town Meeting voted to reduce Groton Long Point's police budget by \$208,000, and

WHEREAS, the Groton Long Point Board subsequently voted to reduce its public safety budget by \$80,000 and pay the remaining \$128,000 through an increase in the district's mill rate, and

WHEREAS, prior to this decision, the president of the Groton Long Point Board had requested supplemental funding from the Town of Groton in the amount of \$128,000, and

WHEREAS, the Town Council has authorized a Town-wide police assessment in an effort to bring Groton Long Point, City of Groton, and Town of Groton representatives to the table to discuss police services, and

WHEREAS, the Town Council felt that Groton Long Point's request for supplemental funding should be addressed separately from the Town-wide police assessment, now therefore be it

RESOLVED, that a transfer of \$128,000 be made from the FYE 2011 General Fund's Contingency account (#10741-5499) to Groton Long Point's police account (#10910-5230).

Refer to RTM.

A motion was made by Councilor O'Beirne, Jr., seconded by Councilor Sheets, that this matter be Adopted as Amended and Referred to the Representative Town Meeting.

Councilor O'Beirne stated that there has been some confusion, but the source of money for this resolution should either be a supplemental appropriation from the General Fund balance or a transfer from the Contingency account.

Councilor Peruzzotti will be voting against this resolution, as she believes that this matter does not need to be addressed immediately.

Councilor Johnson stated that it is a matter of fairness.

The Town Manager explained the difference between the General Fund balance and Contingency and noted that the current General Fund balance is 7.2%, which is below the 7.5% guideline that the Council adopted. The Town Manager's suggestion is to utilize the Contingency Fund. Regardless of the funding source, if adopted, this item will proceed to the RTM.

Councilor Sheets noted that the cut to Groton Long Point's Police Department budget was done without planning or preparation, and stated that this is a matter of principle.

Councilor Flax will be voting against this resolution because he believes that the political process was followed. He is afraid that passing this resolution will open a "can of worms" where budgetary matters are concerned.

Councilor Monteiro stated that she would agree with Councilor Flax if the RTM was removed from the process altogether, but, if passed, this resolution will be referred to the RTM.

In answer to a query, the Town Manager replied that he does not think bond ratings will be affected if the General Fund is used.

Councilor Johnson remarked that Groton Long Point residents are taxpayers and the Town Police do not patrol there. He believes that this appropriation is equivalent to the cost for the Town to police that area.

Mayor Streeter stated that this resolution does not usurp the authority of the RTM because, if passed, the resolution will be referred to the RTM. He is, however, disappointed that the town-wide police assessment was not completed before this resolution came to a vote.

*MOTION TO AMEND* to replace the entire resolution with a new one previously prepared by the Town Manager that stipulates the funding source as a transfer from the General Fund's Contingency account was made by Councilor O'Beirne, seconded by Councilor Sheets.

*VOTE on Motion to Amend* passed 6 In Favor, 2 Opposed (Opposed: Councilors Flax and Peruzzotti).

**The motion carried by the following vote:**

**Votes:** In Favor: 6 - Mayor Streeter, Councilor Johnson, Councilor Kolnaski, Councilor Monteiro, Councilor O'Beirne, Jr. and Councilor Sheets  
Opposed: 2 - Councilor Flax and Councilor Peruzzotti

WHEREAS, Groton's eligibility to receive grant funding for use in FY 2012 requires the Town to submit a Grant Program Confirmation to Connecticut DOT, now therefore be it

RESOLVED, that Town Manager Mark R. Oefinger may enter into and sign the 2010 Connecticut Clean Fuel Program Agreement with the Connecticut Department of Transportation for a cash grant toward the purchase of two alternative fuel motor vehicles.

*Councilor Sheets asked if there is time to have a public hearing regarding the Town's application to the State of Connecticut Department of Public Utility Control (DPUC) to become a public access provider.*

*The Town Manager remarked that it is difficult to address some things in under five minutes, but public hearings have certain requirements. He stated that the Ropers could be asked to attend a Committee of the Whole meeting.*

*Councilor Johnson mentioned that the resolution to apply to the DPUC was discussed at a special Committee of the Whole meeting just prior to the regular Town Council meeting at which it was adopted. He feels that citizens were not afforded ample opportunity to voice their opinions because the Council acted on the resolution the same night that it was introduced.*
