

# Physical Therapy Conversations

Topics to inform and educate you

➤ **November 15 – What is the difference between a strain and a sprain?**

➤ **December 20- Bursitis – what is it and how we can treat it.**

➤ **January 17 – Shoulder impingement and spinal stenosis – how they are alike and how to manage.**

**Ron Agostini**, our speaker, is a Physical Therapist from Mystic Physical Therapy Associates. He graduated from Quinnipiac University and has been in practice for 26 years. He has extensive training in manual (hands on) therapy.
