### **GROTON TOWN COUNCIL INVITES THE PUBLIC TO SHARE IDEAS AND SUGGESTIONS FOR THE FYE 2014 BUDGET**

GROTON, CT: The Groton Town Council is inviting Groton citizens to participate in an informal conversation regarding the FYE 2014 Budget and the challenges associated with rising costs and decreasing revenues. On Saturday, October 13 from 9:00 a.m. to 11:00 a.m. at the Groton Senior Center, Town Councilors will sit down with Groton citizens to hear their ideas and suggestions concerning the budget process while helping citizens to gain a better understanding of the Town's responsibilities and limitations.

The Council is hopeful the session will help to alleviate a tone of criticism and complaint and instead create an open dialogue concerning the difficult and complex issues facing the Town of Groton. For more information, please contact the Groton Town Manager's Office at (860) 441-6633.
