

NOTICE

In accordance with the requirements of Title II of the American with Disabilities Act, as amended (“ADA”), the Town of Groton (“Town”) prohibits discrimination against qualified persons with disabilities in employment, and in public services, transportation, public accommodations and telecommunication services. The Town will provide reasonable accommodations, upon request, for physical access, communications, and other needs to ensure participation in the services, programs, and activities of the Town by persons with disabilities. The Town will make reasonable modifications to policies and procedures in an effort to equally serve persons with disabilities.
